DEDICATION

TO MR. J. B. LEIDIG, IN RECOGNITION OF HIS LONG AND CONSCIENTIOUS SERVICE TO WARREN HIGH SCHOOL, WE, THE CLASS OF 1946, GRATEFULLY DEDICATE THIS FOOTBALL ISSUE OF THE DRAGON. WE GREATLY ADMIRE MR. LEIDIG, WHO AS DIRECTOR OF ATHLETICS HAS BUILT MANY WINNING TEAMS AND HAS INSPIRED BY PERSONAL EXAMPLE A HIGH STANDARD OF SPORTSMANSHIP AND AN APPRECIATION OF CLEAN LIVING AMONG THE PLAYERS. AS INSTRUCTOR IN MATHEMATICS AND AS ASSISTANT PRINCIPAL HE HAS HAD A PROFOUND INFLUENCE IN MANY LIVES. HIS FRIENDLY ADVICE, HIS KEEN UNDERSTANDING OF PEOPLE, AND HIS DEVOTION TO HIS WORK HAVE WON FOR MR. LEIDIG THE RESPECT AND THE ADMIRATION OF ALL.

APPRECIATION

IN APPRECIATION OF HER FRIENDLY INTEREST IN YOUTH AND HER KEEN INSIGHT INTO THEIR PROBLEMS, WE, THE CLASS OF 1946, EXPRESS TO MISS ELIZABETH WICKSTROM OUR SINCERE ESTEEM. WE ARE GRATEFUL TO MISS WICKSTROM FOR HER ZEALOUS, THOROUGH, AND CONSCIENTIOUS TEACHING. THE LOFTY PLACE WHICH SHE COMMANDS IN OUR MINDS AND HEARTS TESTIFIES TO HER WORTHINESS.

Left to Right. Row I — Supt. Rossman, Mr. Brasington, Mr. Keller, Mr. Mohr, Mr. Paterson.
Row II — Mr. Eaton, Dr. Cashman, Rev. Rutledge, Mr. Cowden.

BOARD OF SCHOOL DIRECTORS

EVERY smoothly operating system requires a clever and practical executive board, the duty of which is to provide a workable code of boundaries in order to maintain a high standard of efficiency. Such a group is the Board of School Directors of Warren Borough.

Warren is fortunate in having as members of the Board of School Directors outstanding citizens who accept this important responsibility. They devote their time and efforts without remuneration except the satisfaction that an effective school program has been maintained.

Members of the Board of Directors are seven in number and are elected at large for a term of six years. They are as follows: Melvin G. Keller, president; Ralph E. Brasington, vice-president; Homer M. Mohr, secretary; Neil D. Paterson, treasurer; Dr. William M. Cashman; Rev. Beecher M. Rutledge; Wallace H. Cowden; and R. Pierson Eaton, solicitor.

John G. Rossman was elected for a fourth term as superintendent of Warren Borough Schools.

ADMINISTRATION ASSISTANTS

THE administration assistants are indispensable in keeping our school life running smoothly. They are always on the job and strive whole-heartedly to carry out the numerous individual tasks which go along with their positions.

Miss Martha Dutchess is the efficient secretary to Mr. Bathurst. Her tasks are many and varied, including the keeping of the records and the answering of a continuous line of questions.

Charles Beck keeps account of the funds of the various school activities and is the clerk for the Board of Education.

Miss Laura Platerote is the friendly and sincere secretary to Mr. Rossman. She assists him in the executive department.

Essential to our physical growth and development is the Health Department. Dr. E. S. Briggs, the school physician, heads the staff of this department. He is very capably assisted by Mrs. Marion Robertson and Miss Margaret Horan.

Henry Griffin is the supply clerk and handles the ordering of books, paper, and other classroom necessities.

George Baxter, the chief custodian of buildings, is assisted by Ed Huber, Chester Nelson, and Merle Fox.

COACHES

FOR the help and the guidance of our Coaches, we, the Team of 1946, wish to express our gratitude. Their patience and their understanding have made our days in Warren High School pleasant and profitable. We shall always have a place in our hearts for these friends who have given unreservedly of their time and their efforts to bring us safely to the end of the Game . . .

OUR FRIEND AND CLASSMATE

CLASS OF 1946

THE GRANDSTAND

ALMA MATER

*High in air thy spires are tow'ring
Gleaming in the light,
While their solemn shades embow'ring
Waves the Blue and White —
Furling in its tranquil beauty
O'er a body true —
Sons and daughters bound by duty
Give their love to you.*

*Thy bright emblem shining o'er us
Shows thy glorious might.
Through the years thou safely bore us
Spotless Blue and White.
Sons and daughters bring thee praises,
Bring thee praise and fame,
And thy standard high upraises —
Herald of thy name.*

— ERNEST NATHAN,
Class of 1921.

CLASS POEM--1946

*Our youthful days of sweetest pleasure
Have slipped away. The last full measure
Of a carefree world is gone. Today we face
The sadness of this struggling race.*

*At the future's threshold do we stand,
A generation's hope within our hand;
For the youth of today, unknown to sorrow,
Will guide the destiny of tomorrow.*

*From the fragments of a world war-torn,
A rising note of hope is born.
Our age must build a lasting peace,
And from war's danger give release.*

*We shall go forth with noble tread
Of footsteps firm. Our honored dead
Have died that peace might be
To us who live—reality.*

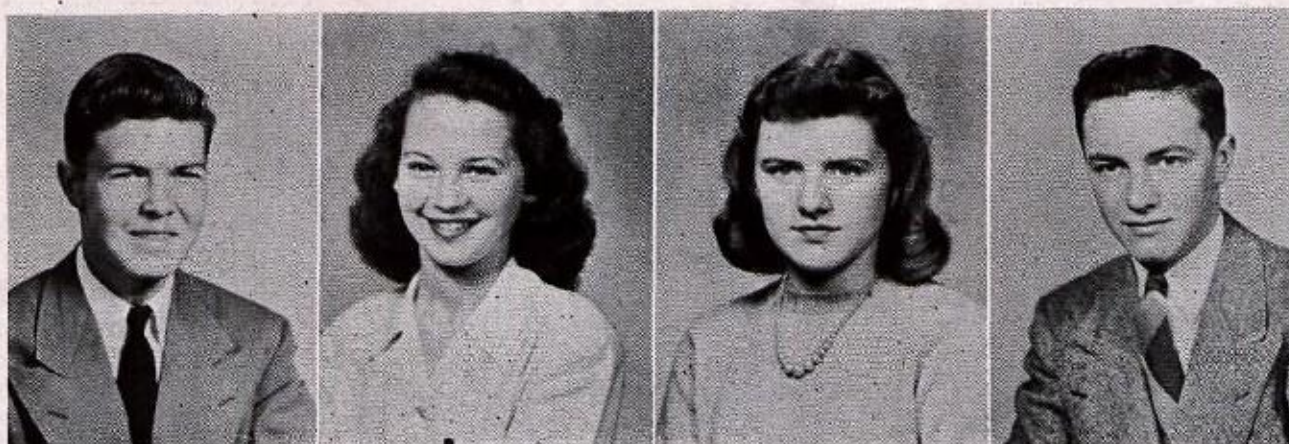

— MARCIA JOHNSON.

VARSDITY

THE year to which we, The Varsity, have long looked forward has slipped away, and it is now at the close of the season that we begin to realize what the years spent in Warren High School have meant to us. Here we have formed many lasting friendships and gained valuable experience through our participation in school activities. We are grateful to the managers who have been our friends and advisers. Through the training they have given us, we have been better prepared for the new life we are about to face. We feel that never again will so much be done for our welfare and our enjoyment. Commencement, the goal for which we have striven, has been achieved with heavy hearts but happy memories. The last quarter of our high school career has ended, and now we look forward to the part we shall play in the game of life . . .

ACTIVITIES

THE importance of extra-curricular activities cannot be over estimated, for the benefits derived from participation in high school organizations will last throughout the years to come. After careful deliberation, students entered the clubs and organizations, which were especially suited to their individual preferences and closely correlated with their courses of study. Working together in these clubs and delving into previously unknown fields furnished students with relaxation and the association with other people necessary to a well-balanced education . . .

LANGUAGES

THE study of foreign languages offered far more than the grammar and the mechanics of the chosen language; it gave a better understanding of different nations with attention to their life and customs and a deeper insight into their ways of thinking. Languages helped in developing the intellect and in broadening the mind, and their study also had a practical use. Latin was of special interest to many students as a prerequisite for the study of law and medicine. German offered a knowledge of scientific terms to pupils interested in science. The understanding of South American Countries was broadened through the study of Spanish. All in all, languages enriched the cultural background, broadened the viewpoint, and allowed glimpses of other places . . .

And then, we'll fight, fight, fight with all our might,
And not give up 'til this old game is won.
We'll give that old time yell called:
Rah—Rah—Rah

We're not allowed to cuss,
But, nevertheless, you must confess
There's nothing the matter with us!

SPORTS

ATHLETICS was an important feature of Warren High School life. Lively events aroused the interest of the student body, who supported the teams with their lusty school spirit. Enthusiastic athletes worked faithfully to make each performance a great success. Players gained more than increased strength and coordination; they were inspired to higher standards of fair play and sportsmanship, a Warren High School tradition.

The accomplishments of this year's athletes brought outstanding fame to Warren High School . . .

CHEERLEADERS

FIVE vivacious cheerleaders aroused and maintained a vigorous school spirit throughout the football and the basketball seasons. Journeying to other towns, the cheerleaders kept up the morale of the teams.

The cheerleaders were elected on a competitive basis and were trained by the squad of '44 and '45. Mr. Leidig and the Athletic Association directed their activities.

BASKETBALL

COMPLETING their season with an overall accumulation of twenty-three victories and but four losses, the Massamen of the current year have swelled the high school trophy cases with numerous awards for their feats. Coach Massa depended entirely upon each man to turn in his best performance as a single unit towards victory.

The Dragons scored double victories over Bradford, Kane, Jamestown, Corry, Meadville, Franklin, Titusville, and Youngsville. Single wins were recorded over Erie Tech, St. Marys, the Servicemen, and Oil City, all of which were in the regular season.

Defeats were handed the locals by Oil City, St. Marys, Jamestown, and Homestead, while additional playoff wins were garnered over Millcreek, Sharpsville, and Allegheny of Pittsburgh.

Individual high scoring honors went to big Jack Eaton, the giant center. Eaton came through with a total of 318 points for a 12-point average per game. Al Babcock, towering board man, was second with 185 points, and Dick Harris pulled a close third with 176.

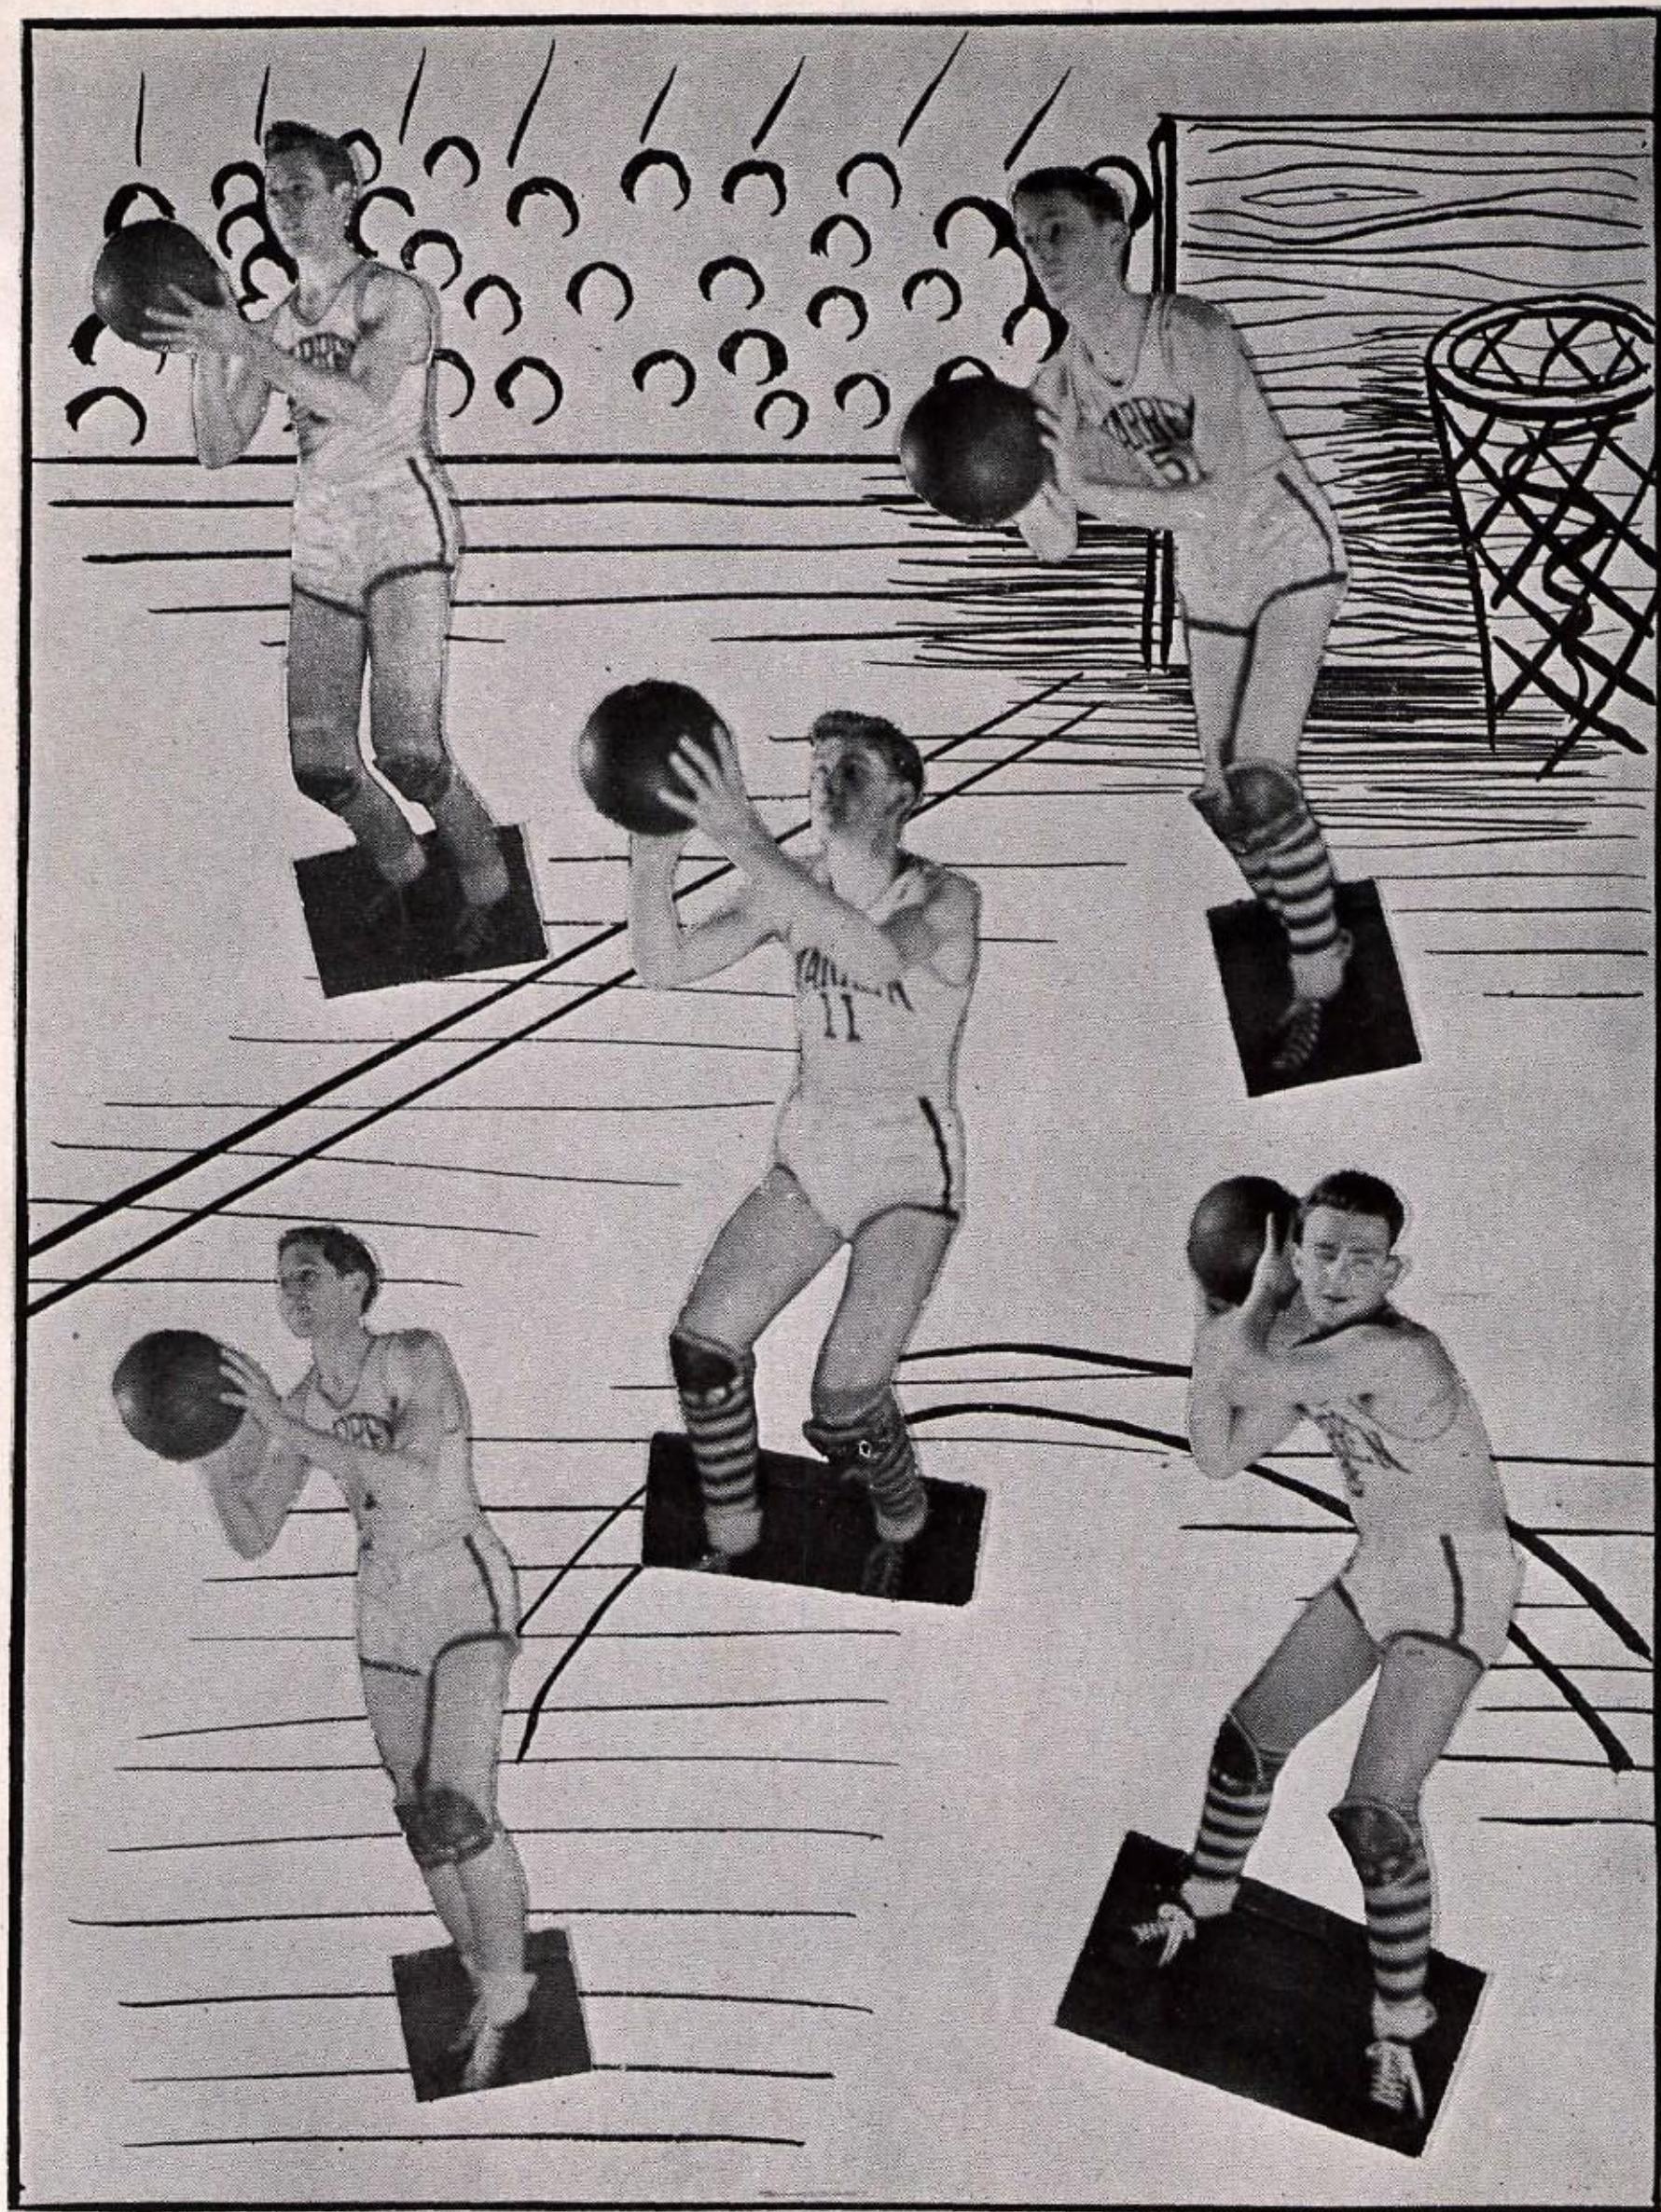

As for trophies, the Dragons received the Chicago Pneumatic Tool Company award for winning Section Two three times. From District Ten, the Dragons earned

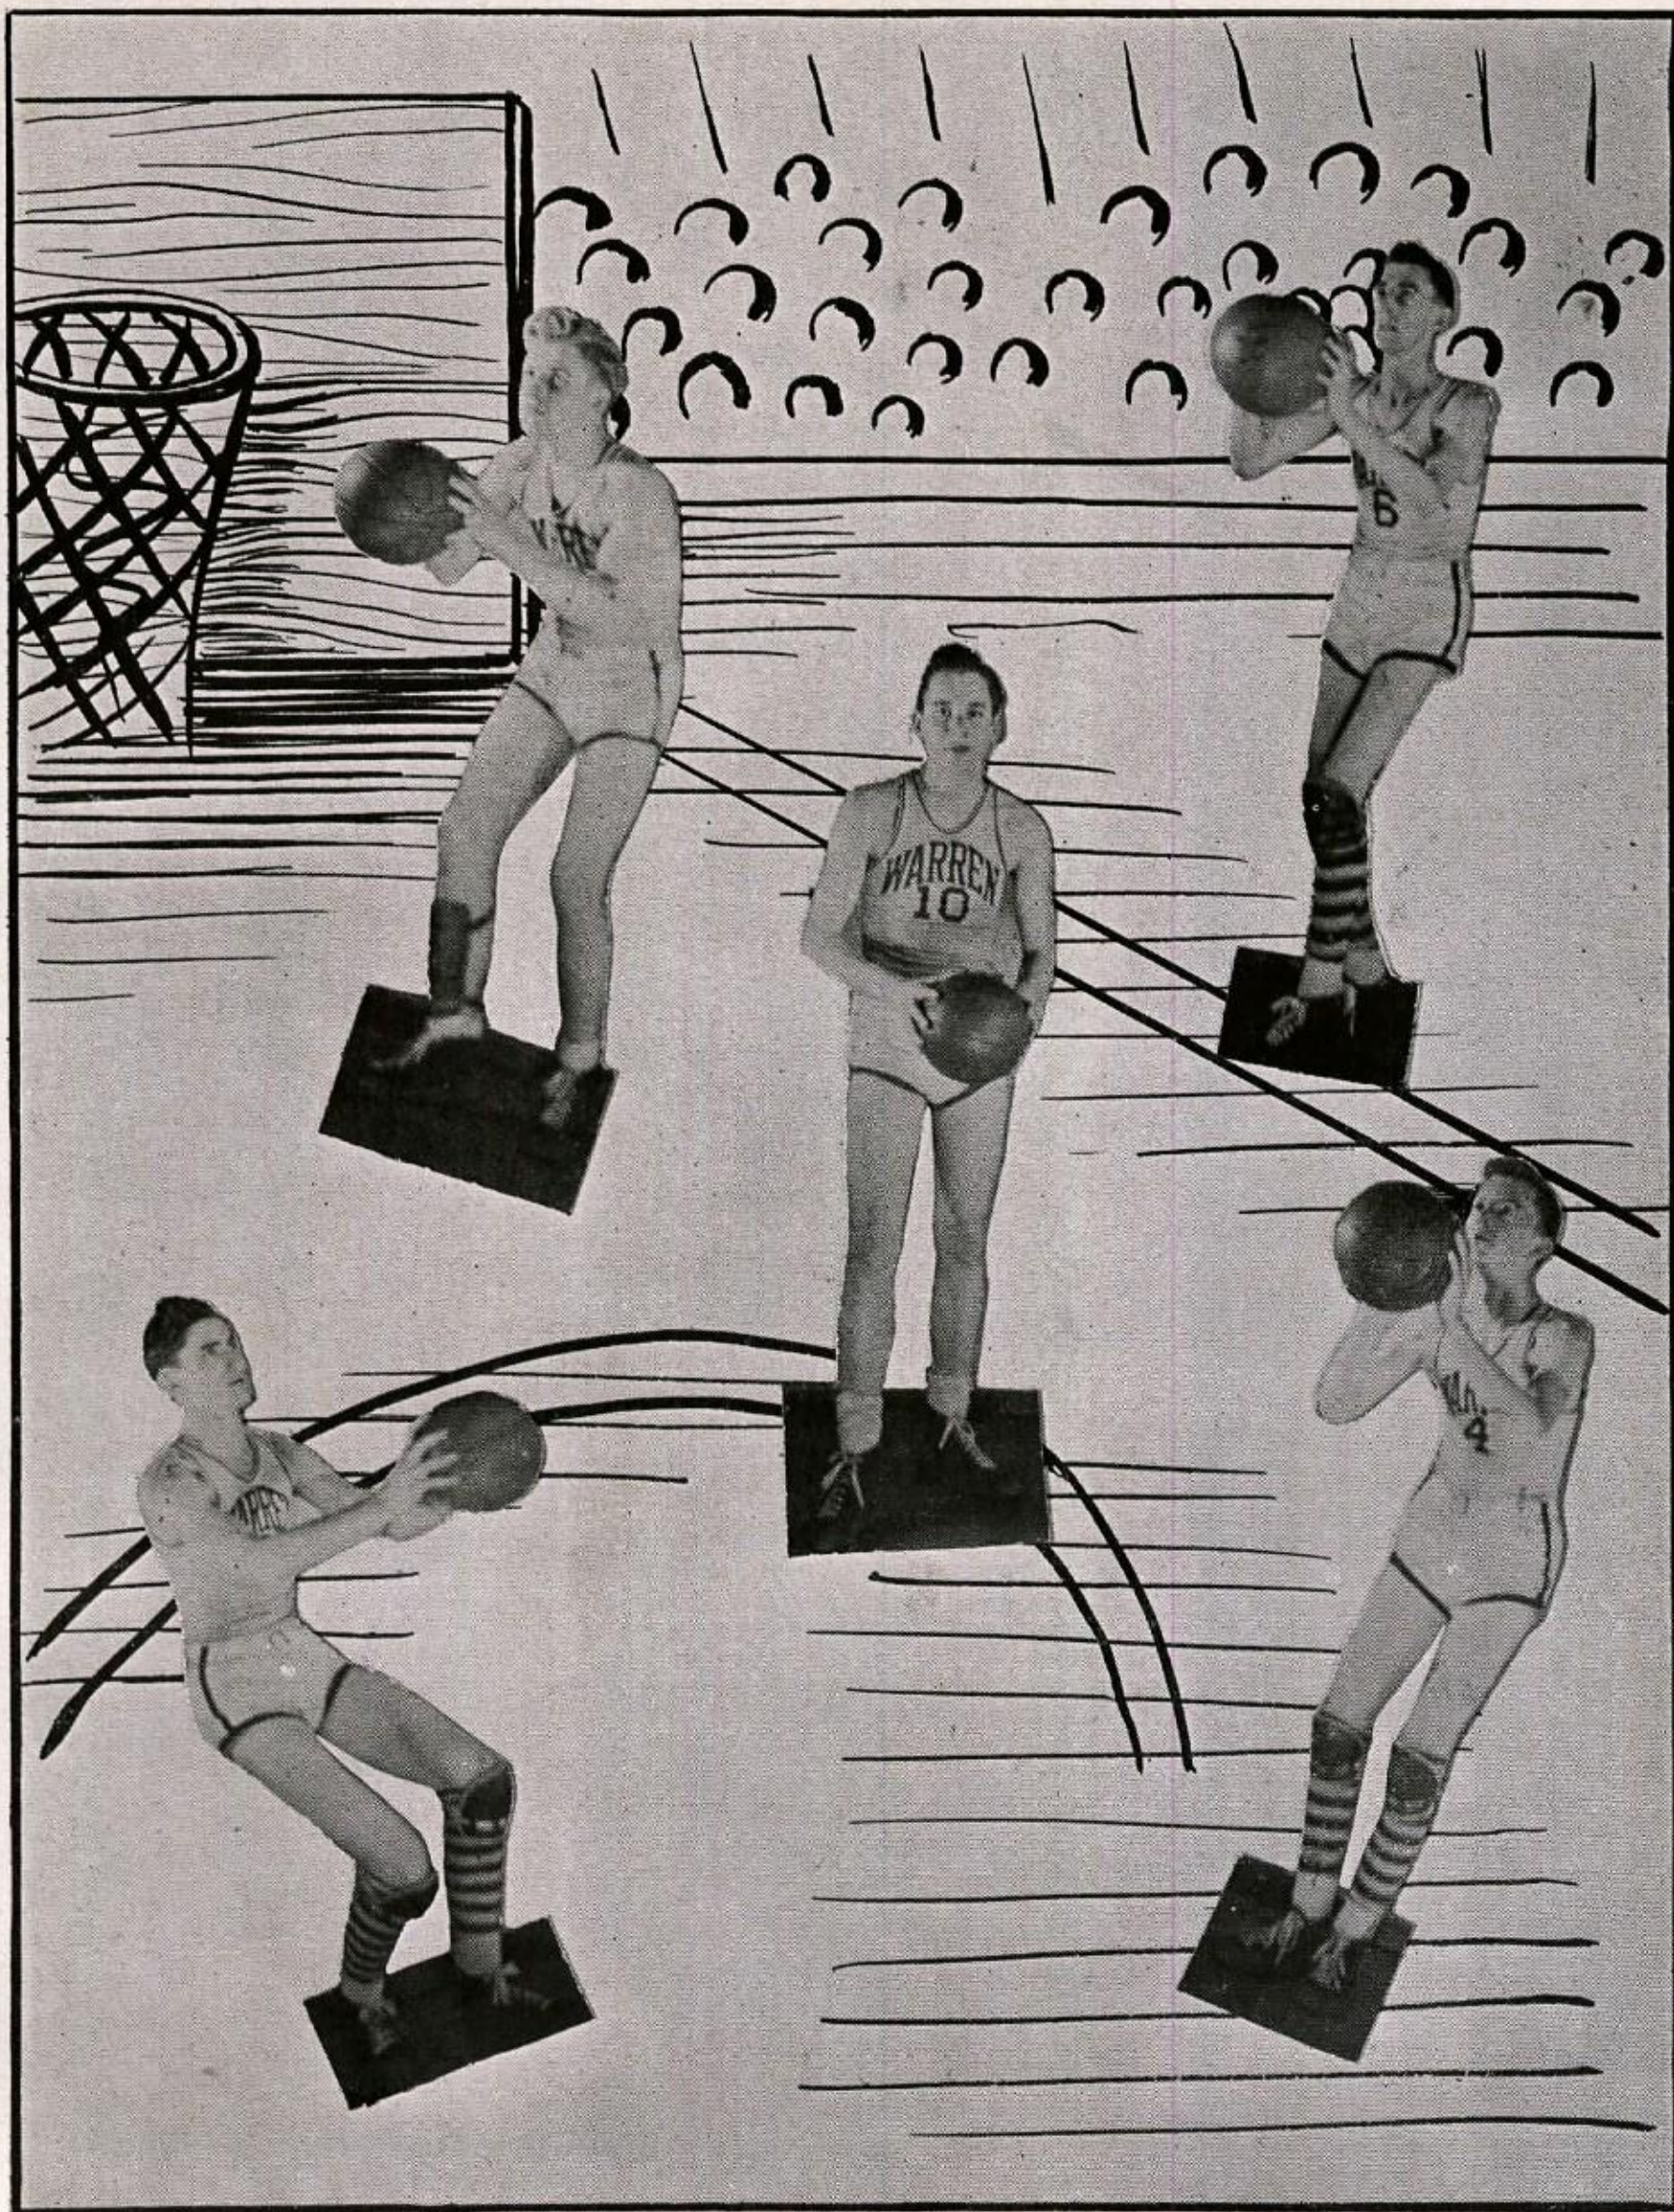

a Section Two trophy and a district award. For defeating Pittsburgh Allegheny, the Massamen were awarded yet another trophy and each player was given a miniature gold basketball.

Thrift and economy are assets needed in starting out in life. Without these two qualities, success cannot be achieved.

Learn early the value of saving regularly and spending wisely. A part of your income, no matter how small, should be set aside each week and put into a bank account — or for Freedom's sake, this year, BUY United States Savings Bonds and help yourself and your country.

PISO'S

As long as you can remember
Piso's has been the favorite re-
lief for coughs and colds. Since
'64, mothers have kept
Piso's handy in the home and
used it to prevent little coughs
and colds from growing big.
Piso's gives prompt relief. Eases
hoarseness and throat irrita-
tion and soothes throat tickle.
At all druggists.

A NEW KIND OF CHAIN FOOD STORE

No different from other chain stores in the all important detail of immense buying facilities and ability to sell at lowest prices — but NEW in the idea that each store is an established neighborhood store — INDIVIDUALLY OWNED — instead of being operated by a manager.

The result is BETTER methods of operation — giving the customer chain store advantage and direct contact with the OWNER, who is vitally interested in serving you BEST.

CONGRATULATIONS

to the

CLASS of 1946

We congratulate you on your achievement. It marks an important event in your life. 1946 is also an important time in the life of Metzger-Wright's as it is our 50th Anniversary of being a department store in Warren. It is a time of beginning for both of us, you into a new life and us into a bigger, fuller life as part of Warren's business world. In 50 years more when you have your 50th Anniversary we hope to be still . . .

W A N T E D

God give us men. The time demands
Strong minds, great hearts, true faith, and willing hands;
Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have honor; men who will not lie;
Men who can stand before a demagogue
And dam his treacherous flatteries without winking;
Tall men, sun-crowned, who live above the fog
In public duty and in private thinking.

"Nothing that you shouldn't."

"See here, Louis," complained Miss Steinhoff, "why don't you get to school on time?"

"Well, it's like this. You've drilled me so much about never watching the clock here at school that I've lost the habit of watching it at home."

Hill: "At last I've been promised a part in that new play."

Hampson: "Fine! What is it?"

Hill: "I'm to play the part of a man who has been married forty years."

Hampson: "Too bad you didn't get a speaking part."

"What advantages do pajamas have over an old-fashioned nightgown?"

"Don't know. I've never worn pajamas over an old-fashioned nightgown."

"I can't understand why that girl is so popular with the men. She doesn't sing or play the piano; nor is she a brilliant talker."

"Maybe that's the reason."

Acknowledgments

We wish to express our sincere thanks to all those who have aided in the publication of this, our football issue. We are especially indebted to Barbara Nichols, the senior editor, who was ever present in the time of need. The patience and understanding of our advisers, Miss Hurd, Mr. Young, and Mr. Bathurst, were unlimited, as was proven time and time again throughout the year.

We are grateful to Mr. Morse of the Morse Engraving Company, to Mr. Mohr of the Mohr Printery, to all of the members of the *Dragon* Staff, and to the student body for their interest, assistance and patronage
